## OPEN POSTDOC POSITION

The Johannes Kepler University Linz (Austria) invites applications for a fulltime, tenure-track research and teaching position at the Department of Knowledge-Based Mathematical Systems available October 1, 2010. Appointees will be expected to teach, pursue their research and perform department and university service.

Required qualifications: PhD (or equivalent) in Mathematics or Computer Science, demonstrated achievements or potential for excellence in research, teaching, and professional service.

It is expected that the successful appointee continues and complements the department research in knowledge-based mathematical systems, in particular fuzzy systems. Preference will be given to candidates doing research in copulas and their applications in risk management or aggregation in decision processes. Additional experience in data mining (with particular emphasis on problems in bioinformatics, medicine) or image and signal processing is welcome.

Applications of female and/or handicapped candidates are particularly encouraged – in case of equal qualification they will be given preference.

The position will be filled initially for 6 years, after this period it may be extended, depending on the qualifications of the appointee. For more details please contact Prof. Erich Peter Klement, ep.klement@jku.at.

Applicants must submit a Curriculum Vitae, a research and teaching statement not later than August 25, 2010. All applications should be sent to

Personalabteilung  
Johannes Kepler University  
Altenbergerstrasse 69  
A-4040 Linz, Austria

Please refer to „Anzeigennummer 2123“ in your reply.
